LOK SABHA STARRED QUESTION NO. 337 REGARDING “INDIAN  
STUDENTS STUDYING ABROAD” FOR ANSWER ON 09.08.2017**

(a) As per inputs received from Missions/Posts abroad, an estimated 5,53,440 Indian students are studying abroad. However, state-wise break-up of students is not available. A statement indicating estimated country-wise number of Indians students is attached as Annexure ‘A’. Presently, the students’ registration under the MADAD Portal is voluntary and 12580 students have registered as on August 7, 2017.

(b) & (c) Indian students wishing to pursue higher studies abroad have to apply for student visas directly to foreign Embassies in India. Requirement of information as part of visa documentation is determined by foreign Governments as visa is the sovereign right of a foreign country. Therefore, information about the visa documentation is not available.

As per extant regulations, registration of students proceeding abroad is not mandatory. Hence, precise number of students leaving the country for studies abroad is not available with the Ministry.
