In this regard, it is submitted that this Department has regularly been pursuing the matter regarding allocation of sufficient fund for food subsidy. Though Government has increased the budgetary allocation for food subsidy in recent years but owing to budgetary constraints and other pressing financial commitments, allocation made is still insufficient to meet the actual requirement of funds, especially in respect of FCI. Some of the measures taken by the Government to make available the sufficient amount of funds to FCI in order to enable it to run the procurement operations smoothly is as under:

- (i) Sanction of Cash Credit Limit (CCL) of Rs.54495 crore.
- (ii) Enhancement of limit of Short Term Loan from Rs.20000 crore to Rs.30000 crore.
- (iii) Sanction of Ways and Means Advance of Rs.10000 crore.
- (iv) In addition, a proposal for issue of Government guaranteed bonds of loan of Rs.40000 crore to Life Insurance Corporation of India (LIC) against arrear subsidy is under examination.
