SHRI KALIKESH N. SINGH DEO:
SHRI B.S. YEDIYURAPPA:
SHRI DUSHYANT CHAUTALA:
SHRI C. MAHENDRAN:
SHRI RAJENDRA AGRAWAL:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) whether the Government has taken note of low quality health services in rural and urban areas in the country, if so, the details thereof;
- (b) the number of district hospitals/ community and primary health centres presently operational and proposed to be opened in the country, State/UT-wise;
- (c) the criteria laid down by the Government for setting up of primary/ community health centres/district hospitals in the country along with the laid down standards governing medical facilities provided therein;
- (d) whether there is a shortfall of primary/community health centres/district hospitals/doctors/medical/ paramedical staff/drugs/medicines/equipment in the country, if so, the details thereof along with the corrective measures taken/being taken by the Government in this regard and the ratio of doctors to patients in these health centres; and
- (e) whether the Government has received any proposal from States for setting up/modernization/upgradation of hospitals/district hospitals/primary/ community health centres

Contd.....

in the country and if so, the details thereof along with the action taken/being taken by the Government on each of these proposals, State/UT-wise?

ANSWER
THE MINISTER OF HEALTH AND FAMILY WELFARE
(SHRI JAGAT PRAKASH NADDA)

(a): Public Health being a State subject, the primary responsibility of ensuring quality health services to the people lies with State/UT governments. Under the National Health Mission (NHM), the central government supplements the efforts of the States/UTs for strengthening their healthcare system to inter alia provide quality health care services to all those who access public health facilities. There is a considerable variation in the quality of care delivered at Public Health Facilities between States/UTs, and also between health facilities within a state.

To facilitate States/UTs to improve the quality of services in public health facilities, the central Government has launched quality assurance program for public health facilities. In the current year States/UTs are being incentivised under NHM for quality certification of district hospitals and CHCs.

As regards quality of healthcare delivery in the private sector, public health being a State subject, no information is maintained centrally.

(b): As per Rural Health Statistics (RHS) Bulletin 2015, the number of District Hospitals (DHs), Community Health Centres (CHCs) & Primary Health Centres (PHCs) functioning in the country is at Annexure I.

(c): The population norms for setting up SC, PHC and CHC are as under:

Public Health Facility	Plain Area	Hilly/Tribal/Difficult Area
Sub Centre (SC)	5000	3000
Primary Health Centre (PHC)	30,000	20,000
Community Health Centre(CHC)	1,20,000	80,000

The Indian Public Health, 2012 contains the standards governing public health facilities and are available at <http://nrhm.gov.in/nhm/nrhm/guidelines/indian-public-health-standards.html>

Contd.....

(d): The information about shortfall of CHCs and PHCs as per RHS, 2015 are at Annexure-II A. The information shortage doctors and paramedical staff is at Annexure II B to II P. The details of shortfall of drugs and equipment are not maintained.

Public Health being a State subject, under the National Health Mission, financial support is provided to States / UTs to strengthen their health system, including for setting up new infrastructure/upgradation of existing infrastructure, drugs, equipment, engagement of doctors, specialists and other health human resource on contractual basis based on the requirements proposed by the States / UTs in their Programme Implementation Plans. Support is also provided for multi-skilling of doctors to overcome shortage of specialists, mainstreaming of AYUSH etc.

(e): Based on the proposals received in the Programme Implementation Plans under NHM for 2015-16 from States/UTs, the approvals accorded for Hospital for strengthening /New Construction/ Setting Up of works under NRHM for District Hospitals (DHs), Community Health Centres (CHCs), and Primary Health Centres (PHCs) in FY 2015-16 is at Annexure-III.

.....

Annexure-I

Statement regarding number of District Hospitals (DHs), Community Health Centres (CHCs) & Primary Health Centres (PHCs) functioning in the country as per Rural Health Statistics (RHS) Bulletin 2015
